II. Objectives of the Training/Activity

With the Covid 19 pandemic threatening our health and safety it also disrupts the mode of learning, thus online learning/class is a must. With this new trend of learning, one of the most widely used and popular educational platforms which are Google Workspace Apps is in demand especially for teachers as a way to manage and conduct exams for their students. Moreover, the teachers of District 1 in Pototan (Highschool) requested training on Google Workspace Apps to help equip teachers with online skills and knowledge. In this connection, the School of Information and Communications and Technology particularly the faculty of the Bachelor of Science in Information Systems and WVSU College of Nursing come up with training for District 1 in Pototan Teachers (Highschool) in using Google Workspace Apps as well as information dissemination on Covid-19.

This training aims to educate and enhance the skills of the faculty and personnel in using and managing Google Workspace Apps specifically the Gmail, Google Drive, Google Form, and Google Meet. Further, it also aims to increase the participants' knowledge about the recent updates related to COVID-19 prevention and management.
